**CURVE®**

**PRODUCT FEATURES**

1. Mild anti-thrust shelf promotes postural stability and helps prevent forward migration.
2. Medial thigh separator promotes postural alignment.
3. High density, molded foam increases surface area reducing potential peak pressure areas.

---

**ELEMENTS® WITH GEL**

**PRODUCT FEATURES**

1. Four compartment inset QuadraGel is designed to prevent gel migration and redistributes pressure to provide maximum comfort.
3. Single layer foam construction contours to the user’s body reducing high pressure areas.
